Our next schedule takes us through most of the summer. With summer vacations and other activities, I know some of you may need to switch dates with other altar servers, which is fine. Just let me know if there's a Mass that you can't find coverage for. As you can see, we have a lot of Sunday servers but a lot fewer Saturday servers. If any families are willing to take some Saturday Masses in the future please let me know!

In August we will say farewell to our Senior Altar Servers Isaac Smith, Ava Brinkman, and Eliza Kramer with our annual Altar Server Honor Mass. More to come on that on the next schedule!
