Sunday, March 31	WHITE	9:00 a.m. Mass	Chris will be calling for volunteers!
Easter			

Thank you for serving in your ministry here at Sacred Heart! While many of our newest altar servers served Mass at Christmas for us, they all of their first "official" scheduled, regular weekend Masses here on this schedule! Right now, our altar server programs stands at 40 altar servers - **that's an impressive number!** New servers - the color indicated next to the date is the (liturgical) color of the cincture cord you should wear around your waists for that Mass. If you forget what color you saw here on the schedule just check the color of the altar cloth on the main altar that Saturday/Sunday.

This schedule also includes Holy Week! As usual, we encourage ALL of our altar servers to serve ALL of our Holy Week Masses, in addition to Palm Sunday the weekend before if they are able. We have Holy Thursday as always and St. Mary's hosts Good Friday. This year, the Easter Vigil is at St. Mary's (we alternate). And of course we have Easter Sunday Mass at our regular Sunday morning Mass time. We look forward to having all of our newest altar servers join us at these big liturgies for our parish.

As always, if you cannot make your turn please try to first find a replacement, and if you cannot, let me know.

Chris
